

**REDDING AREA BUS AUTHORITY  
BOARD POLICY**

SUBJECT	RESOLUTION NUMBER	POLICY NUMBER	EFFECTIVE DATE
REBUDGET OF PRIOR YEAR APPROPRIATIONS	RABA-90	112	2/22/94

**BACKGROUND**

The Redding Area Bus Authority adopts an Annual Budget at the beginning of each fiscal year. Certain items budgeted in the prior year are rebudgeted as a carryover. These items are difficult to identify for numerous reasons, and each year a certain number are overlooked in the budget process. This policy would authorize the Director, or his designated representative, to routinely carry over items previously approved, but not rebudgeted.

**PURPOSE**

This policy would authorize the Director, or his designated representative, to rebudget previously approved and budgeted items in accordance with Board guidelines.

**POLICY**

It is the policy of the Board of the Redding Area Bus Authority to authorize the Director, or his designated representative, to rebudget certain items as follows:

- 1.The item(s) was previously considered and budgeted by RABA resolution.
- 2.The item(s) was not rebudgeted through the adoption of the Annual Budget or by Exhibit A of the Resolution adopting the Annual Budget.
- 3.The amount of the appropriation does not change, nor does the amount of the funding source change.
- 4.There is no impact upon fund reserves.
- 5.The purpose for which the item(s) was rebudgeted does not change.

In the event the item(s) does not meet these conditions, it must be approved by the Board and may not be rebudgeted as part of this policy.
