*Consultants shall be included in the list of designated employees and shall disclose pursuant to the broadest disclosure category in the Conflict of Interest Code, subject to the following limitations:

The City Manager or his designee may determine in writing that a particular consultant, although a "designated position," is hired to perform a range of duties that are limited in scope, and thus is not required to fully comply with the disclosure requirements described in this section. Such written determination shall include a description of the consultant's duties and, based upon that description, a statement of the extent of disclosure requirements. The determination of the City Manager or his designee is a public record and shall be retained for public inspection in the same manner and locations as this Conflict of Interest Code.
