SPECIAL EVENT

Permit Application

Redding has a rich and diverse history of community-based events and entertainment. We are proud to put our community and its amenities on display for all to enjoy and visit as we celebrate what we believe is one of the finest cities in the nation in which to live and conduct business.

In order to plan a safe and successful event while remaining mindful of the needs of the surrounding community, there are various departments within the City of Redding that review all special event applications. It is intended that this application will provide a simplified process for both the event organizers and the city representatives. However, please be aware that depending upon the nature and size of your event, you, as the event planner, might need to comply with other department requirements and other federal, state, and county regulations in addition to completing this application.

On behalf of the City of Redding, we appreciate your interest in conducting a special event here and thereby adding to our sense of community!

INTRODUCTION:

Permit applications must be received by the City of Redding **no less than 30 days in advance of the event.** Generally, a Special Event Permit is required for any organized activity or event, whether organized by a nonprofit entity, private enterprise, individual, or other, which involves the use of, or will have an impact upon, public property, public facilities, sidewalks, or city streets. (Refer to Redding Municipal Code Chapter 11.44). It is our goal to assist event organizers in planning a safe and successful event that will create a minimal impact upon the community or neighborhoods surrounding the event. We hope you find these instructions helpful. You are encouraged to call the City Clerk's Office at (530) 225-4055 with any questions.

PERMIT PROCESS:

The Special Event Permit process begins when you submit a Special Event Permit Application to the City Clerk's Office. Upon receipt of your application, it will be evaluated for its impact on other city entities and will be distributed to other city departments for their review and requirements or conditions. Throughout the process, you will be notified if additional information, permits, licenses or certificates are necessary. Due to the many changing aspects of an event and its planning process, we recognize that you will need time to provide all the necessary information and documents. Given this fact, the permit might not be physically issued until a few days prior to the event. Upon approval of the event, the event organizer will be provided a permit subject to conditions of operation.

The following page will help to determine if a City of Redding Special Event Permit will be required and also will provide you with other agency contact information you may find helpful depending on the location and type of event you are planning.

FOR USE OF CITY OF REDDING FACILITIES
(Fax this document to your insurance company)**

- 1) **Certificate of Insurance;**
- 2) **Additional Insured Endorsement** (this is separate from the Certificate); and
- 3) **Evidence of primary language** either by endorsement or the actual page(s) of the policy typically found in the "Other Insurance" section of the policy.

Minimum Limits of Insurance

1. General Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage and \$2,000,000 aggregate.
2. Full Liquor Liability: \$1,000,000 per occurrence for bodily injury, personal injury and property damage. If liquor, beer or wine is available for consumption, **and money is transacted in any form** (i.e., for donation, for a ticket, for a meal, for entry to the event, for the beverage), then full liquor liability coverage shall be supplied.

Other Insurance Provisions
