Your Connection to City Services

January 2017

**POWERING  
REDDING'S  
FUTURE**

**SCHOLARSHIP AND GRANT PROGRAM**

Interested in pursuing a career at Redding Electric Utility (REU)? Start by applying for a college scholarship or technical school grant offered by your community owned electric utility, REU!

**Up to \$5,000** You hold the keys to Redding's energy future and REU wants to invest in YOU!

## College Scholarship and Community College/Technical School Grant Program

At REU we recognize the value of education and the impact it can have on our families and our community. This year, we're proud to launch the REU "Powering Redding's Future" College Scholarship and Community College/Technical Grant Program; a special program to award up to \$50,000 in college scholarships and technical school grants for local students. Up to 18 local students will receive up to \$5,000 each in scholarships and grants.

The REU Powering Redding's Future College Scholarship and Community College/Technical School Grant Programs are administered by the Shasta Regional Community Foundation. To apply, visit [www.shastarcf.org/scholarships](http://www.shastarcf.org/scholarships).

**The deadline to apply is March 8, 2017, at 8:30 p.m. (PST).**

Requirements:  
Must be an REU customer or have an REU customer as your legal guardian.

## Tis the Season to "SHARE"

During this season of celebration and giving, please remember that there are some Redding residents who need our assistance. For the past 15 years, REU has provided a SHARE program (Simply Helping Another Receive Energy), which has raised more than \$250,000 to assist our Redding elderly residents with their electric bill. When you review your next City of Redding utility bill, look for the SHARE box at the top of the bill and please consider making a generous donation. If you would like to add a fixed, monthly contribution amount to your utility bill, please contact Customer Service at (530) 339-7200.

As 2016 comes to an end and we all look forward to new and positive opportunities for 2017, let's be mindful of what we truly love about our community and each strive to improve our quality of life.

## Fly Local. Fly Redding. Fly NOW.

Registration recommended

## Check out the Redding Library!

Come to the Redding Library for FREE Duplicate Bridge Lessons. In this 10-session series, the Redding Duplicate Bridge Club will teach you how to play this popular card game. All ages are welcome to this free event. Classes meet Mondays, 5:30 - 8:00 p.m., beginning January 9 through March 27, at 100 Parkview Avenue. To register, contact Judy at (530) 917- 5400.

The class will use the book, "Bidding in the 21st Century", from the ACBL Bridge Series. Purchase the book before the first class or borrow a library copy (with your library card). Library copies will be passed out on the first day of the class.
