## College Scholarship and Community College/ Technical/Trade School Grant Program

After a successful first year of awarding college scholarships and grants to 15 deserving local students, REU is excited to announce its 2018 Powering Redding's Future College Scholarship and Technical/Trade School Grant Program. REU will once again award up to \$50,000 in college scholarships and technical/trade school grants. As many as 18 local students will receive up to \$5,000 in scholarships and grants.

REU's Powering Redding's Future Scholarship and Grant Program is administered by the Shasta Regional Community Foundation. To apply, visit [shastarcf.org/scholarships](http://shastarcf.org/scholarships).

The deadline to apply is March 7, 2018, at 8:30 p.m.

Some restrictions apply including all applicants must be an REU customer or have an REU customer as your legal guardian.

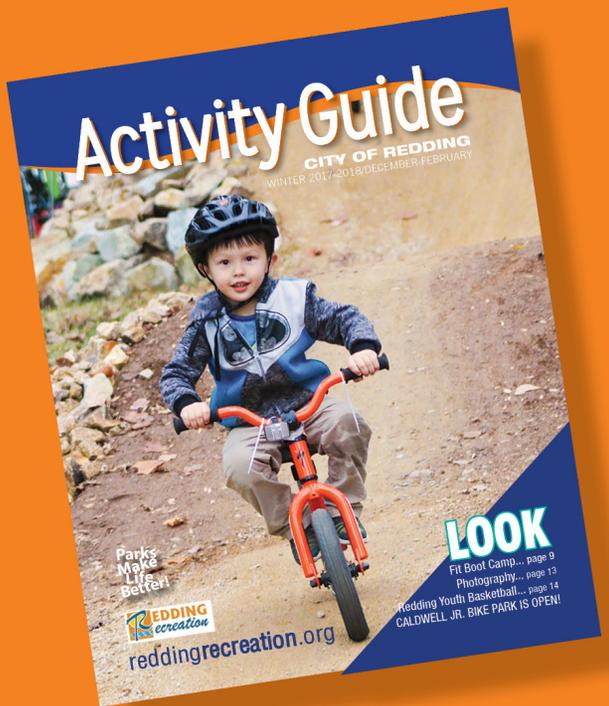

To learn more, visit us at [reupower.com/scholarships](http://reupower.com/scholarships).

- Tribal Fusion Dance Fitness
- Fit Boot Camp
- Winter Boot Camp Ski & Snowboard Conditioning
- Aunt Bee's Kitchen
- Photography
- Redding Youth Basketball League
- Healthy Me! Preschool Program
- Little Learners Sign & Sing

## Tis the Season to "SHARE"

During this season of celebration and giving, please remember that there are some Redding residents who need our assistance. For the past 15 years, REU has provided a SHARE program (Simply Helping Another Receive Energy), which has raised more than \$250,000 to assist our Redding elderly residents with their electric bill. When you review your next City of Redding utility bill, look for the SHARE box at the top of the bill and please consider making a generous donation. If you would like to add a fixed, monthly contribution amount to your utility bill, please contact Customer Service at (530) 339-7200.

As 2017 comes to an end and we all look forward to new and positive opportunities for 2018, let's be reminded of what we truly love about our community and each strive to improve our quality of life.

## Fly Local. Fly Redding. Fly NOW.

## From Your Shasta County Library

We have classes to help you with your new device.

Did you receive a new smartphone, tablet, or computer this holiday season? The Redding Library has an entire roster of computer classes that can help you learn how to use your new device.

Coming up this month we have Beginning Computers, How Do I Use My Smart Phone? (for both Android and iPhone), and Beginning Excel. Other classes are offered throughout the year so check the schedule at [www.shastalibraries.org/computers](http://www.shastalibraries.org/computers) to see how we can help you add to your computer and tech skills.
