Far NorCal Regional Science Bowl Winners

The Far NorCal Science Bowl was held on **Saturday, February 24, 2018, at Simpson University in Redding.**

This fiercely technical and highly challenging event is a question and answer competition among teams of participating middle school and high school students within 10 counties in Northern California: Butte, Del Norte, Glenn, Humboldt, Lassen, Modoc, Shasta, Siskiyou, Tehama, and Trinity. Students answer incredibly difficult questions in various math and science categories: biology, chemistry, earth science, physics, and energy. This year's winning teams were Lassen High School and Parson Jr. High School. Congratulations!

The middle and high school winners of the Redding Regional Science Bowl competition will receive an all-expense paid trip to Washington, D.C., courtesy of the U.S. Department of Energy, to compete in the National Science Bowl® April 26 – 30, 2018.

For more information :

www.cityofredding.org/sciencebowl.

Parsons Jr. High School team members left to right are: Alex Arbudzinski, Captain Alex Buchko, Coach Fay Pisciotto, Serena Khamsaly and Sydnie Berglund.
