

VOLUNTEER ADOPT PROGRAM

WAIVER OF LIABILITY

In consideration of being allowed to participate in the Adopt-a-Street/Block litter collection program, the undersigned hereby assumes any and all risk of injury, damage or loss, either to the undersigned's person or property, from all and every cause, including both affirmative and passive acts of negligence, violation of law, or willful misconduct on the part of the person who completed the application for participation in the program, myself, other participants, members of the public, the City of Redding, or the State of California, its officers, employees, or agents, during such litter collection, as an incident thereto, or in connection therewith. The undersigned further agrees that he/she shall not permit participation by another during the performance of the work if such person has not attended safety orientation and signed a waiver of liability.

It is the understanding between the undersigned and the City of Redding and the State of California that neither the City of Redding, nor the State of California, nor any of its officers, employees, or agents, shall incur liability or obligation to the undersigned, his/her heirs, successors or assigns. Neither the City of Redding nor the State of California makes any promises, guarantees, or warranties nor enters into any obligation to undertake any action on behalf of the undersigned other than to permit him/her to participate in the Adopt-aStreet/Block program in accordance with the conditions of the completed application pertaining thereto.

I agree to indemnify, defend and save harmless the City of Redding, the State of California, and its officers, employees and agents, from any and all claims, suits or actions of every name, kind and description, brought for, or on account of, injuries to, or death of, any person or damage to property resulting from my participation in this program, as an incident thereto, or in connection therewith.

I further represent and warrant that I am advised of the existence of California Civil Code § 1542, which provides as follows:

- A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor.
- Notwithstanding this provision, this will constitute a full release in accordance with its terms. I knowingly and voluntarily waive the provisions of Section 1542, as well as any other statute, law or rule of similar effect, and acknowledge and agree that this waiver is an essential and material term of this Waiver, Release and Assumption of risk.
- In the event any provision of this Waiver of Liability is declared null and void by any court of law, the remainder of the provisions of the agreement shall remain in full force and effect.

(Please fill out and sign the next page. Remember ALL participants must sign this Waiver of Liability)

I acknowledge that I have attended a safety orientation, including an explanation and discussion of the safety requirements for the Adopt-a-Street/Block Program, and that I have read the above Waiver of Liability, that I understand it, and that I am voluntarily signing it.
