Policy

As you address issues relating to the public we serve,

ASK YOURSELF

- Is it the right thing for the community?
- Is it the right thing for the City of Redding?
- Is it ethical and legal?
- Is it something you are willing to be accountable for?
- Is it consistent with the City's Mission and Goals Statement and Departmental policies?
- Is it cost effective from the viewpoint of the City?

If the answer to these questions is "Yes," use your best judgment and serve the public.
