CITY OF REDDING
SCHEDULE OF FEES AND SERVICE CHARGES
Fiscal Year 2019-20

Type of Fee or Service Charge	2019-20 Adopted Fee	Additional Information	Inflation Indicator	Last Changed Resolution or Ordinance	Authority
PUBLIC WORKS DEPARTMENT - SOLID WASTE TRANSFER / RECYCLING FACILITY - Continued					
Special handling Fee A special handling fee shall be charged by the Solid Waste Utility when market conditions result in a loss on recycling scrap metals on the following items: oven; stove; refrigerator; freezer; washer; dishwasher; water heater; dryer; window-mount HVAC unit; equivalently sized machines or equipment.		The Solid Waste Utility shall review the City's cost to dispose of scrap metals monthly and shall adjust the fees in order-to-offset the difference between the City's cost and what it receives from the sales of scrap metals. Fees will be based on the fee schedule below if the City is paying to recycle scrap metals.		Reso. 2008-97	
Large Scrap Metal Loads: Large loads of scrap metals shall be charged a special handling fee as follows: 0 - 200 pounds >200 - 400 pounds >400 - 600 pounds >600 - 800 pounds	5.50 8.50 11.75 14.75			Reso. 2017-054 Reso. 2017-054 Reso. 2017-054 Reso. 2017-054	
Duplicate Receipt Fee	2.00			Reso. 2008-97	
Compost Sales Retail: The Solid Waste Utility shall sell any compost it produces to customers for not less than the average retail price of three local, retail outlets that sell equivalent compost. Each May, the Solid Waste Utility shall conduct a survey to establish price. If there is not a comparable compost on the market, the Utility shall set the price for a reasonable cost recovery and to minimize the amount of grass it shall bury at the landfill. Wholesale Wood Chips Unscreened Mulch		The City may provide a discount of up to 15% for purchases of five (5) or more cubic yards. 80% of retail price for retail businesses Same formula as for Compost \$1 per cubic yard less than screened compost		Reso. 2009-110 Reso. 2008-97 Reso. 2008-97 Reso. 2008-97	
Delivery Costs: If the buyer of compost, mulch or wood chips does not provide transportation, the Solid Waste Utility may truck compost, mulch or wood chips at the actual cost plus 10% to any location within the City of within five (5) miles of the Solid Waste Transfer/Recycling Facility, whichever is further. The minimum load the City shall truck shall be five (5) tons or ten (10) cubic yards. If a driver or vehicle is not available, the Utility may decline to provide this service.				MO 2011-108	
Residential Special Collection Program: Customers who request special, curbside collections of large, bulky items that do not fit in a wheeled waste cart shall pay a fee equal to the rate for disposal at the transfer station plus additional labor and equipment costs. If the item is not subject to a disposal fee, a handling fee equal to the Hard-to-handle fee at the transfer station shall apply.		The Solid Waste Utility shall adjust the fees for the Residential Special Collection Program for Hard-to-handle Items on an annual basis, after adoption of the City's budget, to reflect current costs. Maximum of six (6) items in one (1) trip.		MO 2011-108	
Non-Curbside Collection Surcharge: (Wheeled Waste Carts) Rate / Month Replacement Fee *	4.00	The City reserves the right to charge the customer for the replacement cost of a lost, stolen, damaged, or destroyed wheeled waste cart, metal container, or drop box(es).		Reso. 2015-071 MO 2011-108	
Emergency/Overtime Fee *		Customers requesting emergency service requiring overtime shall pay an overtime fee that shall include the overtime rate for the employee and equipment costs. This fee is in addition to the regular fee for the metal container, drop-boxes, or compactors.		MO 2011-108	
* All solid waste charges are subject to a 1.36% Landfill monitoring fee.
