

Zoning Clearance

City of Redding
777 Cypress Avenue
Redding CA 96001
Telephone:
(530) 225-4020
FAX: (530) 225-4495

The purpose of the Zoning Clearance is to confirm that the zoning is appropriate for the intended use only at the address indicated below. Building Code and Fire Code issues that may be related to the proposed use or occupancy are not reviewed in this clearance, as well. You should discuss your project with the Planning Division, Building Division, and Fire Prevention staff prior to occupying the site. The Permit Center staff can assist you with these contacts.

This Zoning Clearance is not a permit to occupy a building, nor is it a clearance that the property meets other standards for parking, lighting, noise, or outdoor storage.
